Note From The Friends

We love to hear all the feedback from Little Valley residents and those who attend or support our events. Just remember when you catch one of us out and about, as much as we love catching up and hearing your ideas, also remember that we have our “Event Suggestion” tab! On the last page of every newsletter, feel free to submit your ideas or events you think your friends and family want to see in Little Valley! We’re always a Facebook message or e-mail away so reach out and we’d love to chat!

Organization Highlight : Beautification Committee

The quiet yet proud members of our Beautification Committee are spearheading an Earth Day themed village wide clean up this April! The committee responsible for the gazebo holiday decorations, the summer planters around the village, and what provides natural facelifts around Little Valley are hoping you share in some of that excitement this spring.

Earth Day lands on April 22, so on Sunday, April 21, the Friends of Little Valley and the Beautification Committee want to invite you join in on a village-wide clean up day! Starting at Noon, we will meet at the gazebo in the center of the village at Park St. and Main St. by the traffic light, where supplies will be handed out and assignments given to those wishing to tackle the various landmarks we have designated. Certain high traffic spots in Little Valley need a little extra attention from us all.

While a few village landmarks and locations will be attended to, you do not necessarily need to be at the event to participate! All residents are encouraged to clean up the areas around your residences and kindly remember to be more responsible with trash around the village.

***5K Proceeds Portion to
Saving Grace in Cattaraugus***

The Cinco De Mayo 5K will see a portion of its proceeds go to Saving Grace Outreach. This not-for-profit located in Cattaraugus, serves all throughout the Cattaraugus-Little Valley Central School district providing clothing and household items to families in need. They also serve as the Cattaraugus food pantry and is in need of many donations to keep their doors open. Their address is 26 Mill St. Cattaraugus, NY 14719 and if you are so inclined, donations can also be sent directly to Saving Grace for their cause.

Further funds through the 5K will continue to support The Friends of Little Valley and our bevy of events to host. Annual events will settle in as our group further cements ourselves in this community and with adequate support, events like Christmas breakfast with Holiday Characters will return as well as our Glow In the Park dance event, Music in the Park, and certainly more we can't announce yet. As always, we appreciate your support in keeping Little Valley alive and well in all that we do.

You'll find here the map of the 5K bobbing and weaving through the village. Racers will begin at EBC (marked with the "X") headed west towards the fairgrounds and following the arrows from there, linking back to EBC-LV after meeting a water station a little ways up First St. Although not highlighted multiple water stations will be placed throughout the course as well as bathroom access.
